

# LET'S GO MARYLAND PARKWAY

May 2024

## Major improvements are coming to Maryland Parkway and construction starts soon.

The Maryland Parkway Bus Rapid Transit (BRT) project extends 12.5 miles from the South Strip Transit Terminal to the Las Vegas Medical District. Whether you walk, cycle, ride transit or drive, the improvements will benefit everyone.

SAFE, COMFORTABLE, ACCESSIBLE CONNECTIONS

## DON'T GET LEFT BEHIND!

Join our virtual open house to check out the final design, learn more, and subscribe to construction updates and real-time traffic alerts.

# Project Renderings

Maryland Parkway

Carson Avenue

## Project Benefits

When construction is complete, the Maryland Parkway BRT route will be:

**Safe** with **WIDER SIDEWALKS**, **MORE LIGHTING**, and **UPGRADED CROSSWALKS**.

**Comfortable** with **ELECTRIC BUSES** and **MORE SHADE** from **TREES** and passenger **SHELTERS**.

**Accessible** with **IMPROVED ACCESS** to **DESTINATIONS** and **JOB**s and more **FREQUENT** and **FASTER** buses.

**Better Connections**  
for **EVERYONE**
